Baffle/Q Bag

Our Baffle Bags designed to maintain shape due to the internal design of the bag maximising space and reducing transport costs. Our baffle bags are engineered to maintain their square shape. Ideal in industries that use free flowing materials

-  1000kg SWL / 5:1 or 6:1 SF
-  Ideal for products like powders and other free-flowing materials
-  Choice of standard and string baffles to support stability of the bag.

STANDARD BAFFLES

STRING BAFFLES

GAMBO STYLE

-  Gambo Style Baffle Bag for the ultimate square shape
-  Storage Capabilities - Offers up to 30% better space utilisation than conventional bulk bags.
-  Bag size, filling, discharging, branding & fabric colour are all custom options

EVER THOUGHT ABOUT CUSTOM PRINTED??

This is a great way of advertising your business.
