Log Bags

These ventilated bulk bags are manufactured with 4-sides of ventilated woven polypropylene and a ventilated base, this permits maximum air flow through the bulk bag. These are ideal for any product that needs air circulation.

-  Open top and flat base
-  14 airstripes per side
-  Ventilated fabric on all 4 sides
-  Can be printed on all four sides
-  90x90x90cm or 100x100x100cm
-  4 x 30cm lifting loops + base tipping loop
-  Also available with mosquito netted sides (available in black or white)

Barrow Bags

Designed for easy transport with a sack barrow, these bags feature a convenient top flap to keep logs protected during storage. Available in both standard and ventilated fabric options, Barrow Bags offer practical versatility.

-  50 x 50 x 90cm
-  4x 30cm lifting loops
-  Top Flap and Flat Base
-  Standard or Ventilated Fabric

*Our Log Bags are part
of our* **REGEN** *range*

Log Nets

We offer log nets in a range of sizes and colours, available in either knitted or close-woven mesh. These versatile nets are also perfect for storing kindling and root vegetables, helping to keep contents well-ventilated.

-  Tie Closure
-  Printing available
-  knitted or Close Woven
-  Range of sizes and colours

EVER THOUGHT ABOUT CUSTOM PRINTED??

This is a great way of advertising your business.
