# Hedge Planter Bags

Our hedge planter bags are designed for growing and transporting hedges. Made from robust woven polypropylene, these bags feature four corner loops and two black velcro straps for stability, ensuring easy handling and transportation.

Available in various sizes, the most popular being 100 x 30 x 30cm, capable of holding 90 litres. These bags are essential for landscapers and gardeners, allowing seamless transfer of instant hedging from grower to landscape project.

These bags ensure mature, healthy hedging is delivered safely and without damage during transit.
