Pallet Sheets.

Solid Board:

Our solid board slip sheets are made from a thin, quality board fit to protect or even replace any sized pallet.

From standard unlined kraft to moisture resistant board, we can supply a full range to cater for any application.

Corrugated Board:

Corrugated board is both cost effective and sustainable. Protect your goods from the pallet or even use as layer pads to separate goods for contamination reasons.

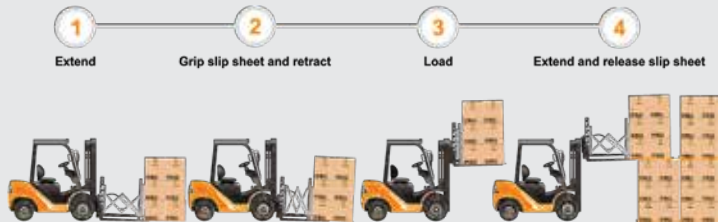

Smart Sheet:

Reuse, Reuse, Reuse...
Made from 100% recycled materials and 100% recyclable our SmartSheets are the strongest flexible pallet sheet we have available.

Use our 'Push/Pull' board to easily eliminate the need for pallet storage / loading.

High slip gloss finish for push / pull application or embossed anti-slip sheets are both available.
